INDUSTRY

Dino Paoli Srl has developed a range of impact wrenches specifically designed for industry, mining environments and oil platforms.

The individual skills and business **intelligence** enhancement has allowed Paoli to design the most efficient solutions for each application field.

Our tools reliability and power are the result of the individuals contribution, of their intellectual value and of mutual partnership.

HISTORY

In Paoli we have always loved dreaming big. Our history is the story of a small Italian company that, full of hopes and projects, has been able to become a leading manufacturer for the Motorsport, Automotive and Industry fields. Paoli's name is now synonymous with wheel guns and impact wrenches all over the world. Dino Paoli Srl proves that passion and hard work can make every desire reality: just throw your heart over the fence, and the rest will follow.
